Nissan extends rebate offer to KIUC Members
on the 2017 Nissan LEAF® Sedan

Līhu'e, Kaua'i, HI – 07/06/2017 – Nissan North America is again extending an offer to KIUC members to access a \$10,000 rebate off the manufacturer's suggested retail price (MSRP) on the model year 2017 Nissan LEAF® sedan at participating dealers. According to Nissan, the limited time offer expires September 30, 2017 or while supplies last - whichever occurs first - and cannot be combined with any other Nissan special lease, APR, or rebate.

The rebate, which was originally offered to KIUC members in January and then again in May, can be accessed by presenting the member's KIUC electric bill and the flyer, which is available for download and printing on the homepage of the KIUC website: www.kiuc.coop.

See your participating Kaua'i Nissan dealer for details: www.nissanusa.com/nissandalers/location/hawaii.
